Requesting Dept.: Department of Public Works

B. To be completed by the department :

1. Please provide a summary of the purpose of this legislation (Justification Statement).

The purpose of this legislation is to install all-way stop signs at the intersection of Indiana Avenue, N.E. & Mathews Avenue, N.E.

2. Please provide background information regarding this legislation.

Indiana Avenue, N.E. and Mathews Avenue, N.E. is a "T" intersection. Indiana Avenue is the major street, the street without stop signs, and Mathews Avenue is the minor street, the street with stop signs. An analysis of this intersection found that sight distance was limited and the volume on the minor street was high in comparison to the volume on the major street; therefore, an all-way stop sign is warranted at this location.
